03:26:09 • Disposition: UNF

Notes on Close: Contacted the rp for clarification, but her account was inconsistent and confusing. RP, who is from Texas, stated that the subject, Noah, had an appointment with his OBGYN at 10 AM. According to RP, the doctor has since been repeatedly calling Noah's personal phone, soliciting nude photos and threatening to AirDrop his personal videos. The doctor also allegedly pressured Noah to end his relationship with his girlfriend. When asked about the girlfriend's identity, RP initially claimed she did not know her name but then stated in the next sentence that she , the rp, was Noah's girlfriend, describing their relationship as "unofficial."
